Berwyn, PA., March 2, 2015

News Facts

JetPay® Payment Services, a division of JetPay Corporation (NASDAQ: JTPY), a leading provider of debit/credit card processing, payroll/HR/TLM services and prepaid card services, today announced that its JetPay payments solution is now available in the [Oracle Cloud Marketplace](#) offering added value to Oracle Sales Cloud. JetPay's application enables access to a safe, easy, and secure payment capability.

The Oracle Cloud Marketplace is a one-stop shop for Oracle customers seeking trusted business applications and service providers offering unique business solutions, including solutions that extend Oracle Cloud Applications. [Oracle Cloud](#) delivers the industry's broadest suite of enterprise-grade public cloud services, including data as a service (DaaS), software as a service (SaaS), platform as a service (PaaS), and infrastructure as a service (IaaS).

"We are proud to have the opportunity to work with Oracle. We have a strong focus on providing customers the best products and services in the market and combining our services with Oracle provides greater efficiencies for our customers," said Bipin C. Shah, Chairman and CEO of JetPay Corporation. "JetPay's participation in the Oracle Cloud Marketplace further extends our commitment to the Oracle community and enables customers to easily reap the benefits of JetPay's payment services. We look forward to leveraging the power of the Oracle Cloud to help us achieve our business goals."

The Oracle Cloud Marketplace not only offers an intuitive user interface to browse and search for available applications and services but also provides user ratings and reviews to help customers determine the best business solutions for their organization. With GetApp, a new automated application installation feature, customers can easily deploy provider business applications from a centralized cloud interface.
